Where you can come for help.

Unsure of this term.

3. What do you like about the support you receive?

I like that I get help when I'm stuck.

It's helpful because if I don't know what I'm doing they help me to get better. Sometimes they give me sentence starters to help me answer questions.

4. Do you prefer group support or one to one support?

I like one to one support in learning support because I can tell them what I find hard and they can help me with this.

5. What do you want to get out of the support?

Helping me with my spellings in lessons.

6. What do you think helps you learn?

When Miss (TA) writes things down for me on a whiteboard when they teacher talks to quickly. This helped me last year and now I am confident in doing this for myself.

7. Do you feel safe and cared for within school?

I feel safe because there is always a teacher/TA around. When I have been upset Sir (TA) has talked to me and made me feel better.

8. Do you feel comfortable asking for help from a learning support assistant?

If I don't understand the teacher I feel confident asking the TA for help.
