1. What do you think learning support is?

I think this a department that helps kids with learning difficulties and helps you with your spellings.

2. What does SEN mean to you?

I think this means that you need help with your learning.

3. What do you like about the support you receive?

I get help with my spellings and reading. It's always a nice atmosphere.

4. Do you feel it helps you?

Yes because in lessons I can use the spellings that I have learnt in learning support.

5. Do you prefer group support or one to one support?

I prefer one to one support because I can focus better and it's quiet. The work is aimed at what I can spell and read and at the right level for me.

6. What do you want to get out of the support?

To improve my spelling and reading skills.

7. What do you think helps you learn?

Coming to spelling scheme on a Thursday morning helps because I get prepared for the day. It refreshes my memory. Also having cream paper for my dyslexia helps me to learn.

8. Do you feel safe and cared for within school?

In learning support I feel cared for and safe because its quiet and I can get on with my work and there is always an adult around so if I need somebody they are always there.

9. Do you feel comfortable asking for help from a learning support assistant?

Yes because they try to help with every single problem you have even if it's big or small.
