What's on this week?

Y11

Wednesday Y11 Art & Photography exam all morning.

Y8 Exams

Mon – English & RMS
 Tues – Maths & Art
 Wed – No Exams
 Thur – History, Spanish, Science
 Fri - Geography

Y10 Food Trip

Visit to Reaseheath college.

HOY AWARDS

Y7

Henri Kosturczak
Parry 7MO

Really proud of him this week 😊

Y8

Oscar Smith 8ND

For his great attitude to learning and participation in lessons this week. Great to see!

Y9

Rubie Comley 9LW

For a fantastic week especially in Science where her work is of a consistently high standard.

Y10

Demi Brennan 10AR

For a mature and positive outlook to school this week. Demi has engaged with all her lessons, assemblies, and primary days to ensure that she is reaching her potential whilst helping others. Well done!

Y11

Mitchell Holland
Fowler 11KE

Attendance to boosters and improved work ethic in lessons. Keep it up!

Emily Owen-
Hollingsworth
7YM

For her hard work and excellent behaviour every day 😊

Holly Holdcroft 8JST

For 100% effort in class this week and great focus on recap activities. Well done!

Zeph Machin 9HB

For being a real credit to the school by helping out with the primaries as well as working hard in all of his lessons.

Weronika Pikus 10EF

For much improved attitude to school. Well done Weronika!

Holly Johnson 11PY

Improved standard of work that is being recognised by staff in a range of subjects. Well done!

Lucky Dip Winners 14th March

Zero Conduct Log Winners

Y7 Ethan Schwarz 7MO
Y8 Darcy Taylor 8SR
Y9 Amelia Perry 9PF
Y10 Jessica Ollier 10EF
Y11 Alan Witkowski 11DG

Independent Learning Sessions

How should I use my time?

Learn/test your Crucial Knowledge

- Pick a subject, then use the Crucial Knowledge resources to test yourself and learn anything you don't know
- You can find all the resources here: <https://www.ccsc.staffs.sch.uk/index.php/2013-09-25-09-25-35/all-files/crucial-knowledge>

Complete all your Crucial Knowledge quizzes

- Work through all set Assignments in Teams
- Work through Educake, Kahoot, etc. quizzes set by your teachers

Make a 'to-do list'

- In OneNote (top of the page)
- Using 'Notes' on your iPad
- Or just on paper!

Read a book

- Improving your reading skills will help you in all subjects
- Find lots of books on the Sora app

Work through extra subject resources

- Go to your Teams classes
- Work through the extra resources that your teacher has put in your class Teams
- These resources will help to **extend your subject knowledge**

Organise/tidy your notes

- Organise and tidy up work in your OneNote notebooks
- Group pages together so your notes are in order
- Turn pages into subgroups so that topics are together

Make corrections and improvements

- Look at teacher comments in your exercise books or Class Notebooks
- See how you can improve previous work and have another go at it
- Look at any quizzes that your teachers have returned. Make notes on anything you got wrong and learn

Independent online revision

- All subjects: <http://www.bbc.co.uk/bitesize>
- All subjects: <https://quizlet.com/en-gb>
- All subjects: www.educake.co.uk
- All subjects: Kahoot! (For Science, search keccscb1, keccsc1, etc.)
- All subjects: <https://senecalearning.com/en-GB/>
- MFL: <https://www.language-gym.com>
- Maths (KS4): <https://www.onmaths.com>
- Maths (KS3): <https://www.whizz.com>

Complete classwork & coursework

- Complete any work in your OneNote notebooks, exercise books, folders, OneDrive, etc.

Complete exam questions/papers

- Check the exam board with each of your subjects, then search for past exam papers and mark schemes

We welcomed Year 5 from Churchfields Primary School. The pupils had a day of activities in Science, History, ICT, PE and Performing Arts. They were fabulous in enthusiasm and behaviour and we are looking forward to seeing Year 5s from Chesterton Primary, Crackley Bank, St Chads, Bursley Academy, Sun Academy and Springhead in the next couple of weeks.

25
YEARS OF
HARRY POTTER
MAGIC

Harry Potter Team Quiz Results 🎉

Congratulations to the winning Team 🏆

'A Mandrake' (Finn Banks-Jones, Kirsten Ashley, Josh Thorley, Alex Hughes) 33/36

Runners up missing out by just ½ point!

'Molly's Howler' (Emily Higginbottom, Sam Foster, Luke Halfpenny, Brianna Henry) 32½/36

Only 2 points separated the top 7 Teams.

32 points 'Fred's Lost Ear

31½ points Alexis & Evie

31 points 'We Don't Know Gracie Watt We're Doing'

31 points 'Voldemort's Lawyers'

31 points 'Superstars'

Top of the class! Mrs Shaw 🌟 36/36

Rhiannon's Reading Recommendations 📖

Jess Colledge's Recommendations

I read War Horse (by Michael Morpurgo) a little while ago now and really enjoyed it, I've never forgotten the story, and is certainly a great read. An emotional one but also very heart warming. I would recommend to any young teenagers.

Love reading? Love discussing books? Love finding new and interesting books to read? Then join....

Book Club

Tuesday after school in the Library.
Ask Dawn or Miss Durrant for details!

All years welcome!

MFL Leaders

This week, we have the very first edition of 'MFL news', and another Wordle for you.

MONDAY, 7TH MARCH 2022

CCSC NEWS AROUND THE WORLD

by the MFL Leaders (and William Austin!)

WHAT IS INCLUDED IN THIS EDITION?

This week's headlines, MFL Movie Hits, and MFL News.

This week's headlines:

- Great Britain claims first gold medal in 2022 Winter Paralympics as Neil Simpson wins Super-G
- The strength of Ukraine's resistance 'continues to surprise' Russia.
- Football teams across Europe show their support for Ukraine while the Premier League release a statement saying 'We call for peace and our thoughts are with all those who have been impacted'.

LAST WEEK'S CHARTS

Spain: Tacones Rojos by Sebastian Yatra.
Germany: Vorbereitung by Pieter Lombardi.
Mexico: Ya No Somos Ni Seremos by Christian Nodal.

MFL Movie Hits

This week on MFL Movie Hits We Have *The Book of Life* And *Disney's Encanto*.

First, Disney's Encanto is Absolutely Amazing. I'm not really into Disney movies and things like that, but this one was really good. I would recommend this and personally give this a 10/10. The songs are so catchy and I think that the aspects of Spanish Language and culture are brilliant!

When I was younger, this film was on every hour of every day and I loved it. The message is great. Although it may not be Spanish, it's Mexican and does have some sort of traditional/cultural aspect to it. I would again rate this 10/10 because it's just purely amazing.

by William Austin Y8

WORDLE OF THE WEEK

This week's Wordle was created by Lois W, and is a Spanish CK verb that all years 7-10 should know. Email Mrs Rutter with a screenshot if you solve it for Event Logs.

(<https://mywordle.strivemath.com/?word=psehch>)

Well done to Izzy C and Ella D for solving last week's, which was 'donde'

Whole School	64.2%	15,669	

Science Book of the Week

Read the amazing story of a family of scientists who carried on where Charles Darwin left off. As well as completing new research into the evolution of species, they were keen on going for early morning swims in Africa... in crocodile infested lakes. They had to shoot bullets into the water to scare the crocs away!

Student	Year	Class(es)	Qs Answered	% Correct
1 Phoebe O'Donnell	7	7/1x Sci	623	96%
2 Bryony Bowen	11	11/1x Sci	310	73%
3 Sonia Ahmed	8	8/1y Sci	179	43%
4 Arif Ahmed	11	11/1x Sci	166	77%
5 Sofia Heath	9	9/1y Sci	165	70%

Ensure you complete your weekly CK quizzes on Educake and Teams assignments. **Even if they are over due!!!**

Science Week - Growth

Growth

British Science Week

Every year, the British Science Association holds a ten-day celebration of science, technology, engineering and maths called British Science Week. Its aim is to create interest and excitement for science. The theme for 2022 is 'Growth'. Growth happens in many ways in the world around us. Every living thing is made up of cells and growth occurs when the cells increase in size, number or age.

Humans

It's important that humans have healthy food, water and rest in order to grow. It is believed that the first five years of a child's life are the most important in terms of their development. During this phase, a child will usually reach key milestones, such as their first steps or their first words. Humans increase in height and develop their muscles as they age. Sometimes, growth happens in ways which we cannot see and humans can also improve their knowledge and skills.

Interestingly, a newborn baby has 300 bones compared with an adult who has 206 bones. This is because a baby's bones fuse together as they become older.

Animals

In order to grow, animals require water, food, air and shelter. Shelter is important for animals to protect them from any **predators** or different weather conditions.

The life cycle of a butterfly is an interesting animal to research in terms of its growth. The butterfly begins its life as a small egg. The egg hatches and a caterpillar emerges. After that, the caterpillar begins to increase in size as it eats. Then, the caterpillar turns itself into a pupa when it has fully grown. This is where its incredible transformation occurs and it becomes a butterfly. This stage can take from two weeks to several months.

STEM Club Trees have finally arrived, just in time for Science week.

We need all the hands available to plant them. Want to get involved and make a difference to CCSC Ecosystem then come along to room 22 on Wednesdays.

Plants

Plants need to have air, sunlight, **nutrients** from the soil and water in order to grow. The plants' environment or surroundings can affect how it develops. For example, the amount of light or temperature that it is exposed to can have an impact on how quickly it grows. In addition, a substance called fertiliser can be added to soil to help plants grow bigger and faster.

Pollination happens when pollen is transported by insects, wind, air, water or animals in order for new seeds to grow. A seed will sprout and the shoot increases in size and grows into a plant. Each part of the plant has a job and the leaves are extremely important. Plants use them to convert sunlight into their own food.

Trees are among the longest-living things and the oldest tree recorded is believed to be in the United States of America and has been aged at over 5000 years old.

Growth as Repair

Amazingly, some cells are able to repair damaged parts. Sometimes, the new growth may not look like the original cells, such as how a scar may form on a human after they have suffered a cut. Some animals are even able to grow missing parts. Incredibly, lizards can grow a new tail if they lose it!

- TED WILLIAMS

English Stars Of The Week

EW: Alistair Salt 7MO – he can be relied upon to make valuable and confident contributions to the class, and works hard in every lesson 😊

KDR: Lauren Goulding Year 11 – for her ace work ethic and constantly striving to improve her work. Well done, Lauren.

KW: Thomas McHugh 9/1X – Thomas displays an excellent knowledge of Macbeth and will offer wonderful contributions to class!

SW: Demi Leigh Brennan Y10 – exceptional at the moment! Well done 😊

KM: Holly Johnson (11/3): striving to improve, working hard every lesson and generally being the best she can be! ❤️

GA: Ash Powell Y10 for consistently getting involved in class discussions and even teaching Mrs Allen a thing or two!

RF: Logan Petrillo (Y7) for an excellent start to Poetry & Creative Writing and for always contributing to class discussions.

A lovely end to the week with the lovely Year 5s from Springhead Primary School today. There was a great atmosphere in all sessions. Bursley and Sun Academy very soon.

Lesson X RED NOSE BINGO

Please make a donation if you can.

Bring along your red nose if you have one!!

Come and join us for Red Nose Day BINGO!!!

- - - Tuesday 15th March - - -
- - after school in the Hall - -

Red Nose Day is a campaign against child poverty and helps raise money for those in need. Please make a donation if you can.

Please come along with your friends, have fun and win prizes!!

Y8 Option Booklets have been sent home to Parents

Welcome to the Year 8 Option Process

Option Evening
5th May
6:00pm – 8:30pm

Welcome!

The following booklet will provide you with all the key information you need when you begin to consider option choices with your child. It is important to consider a number of factors when you come to making your choices:

Does my child enjoy this subject?

Has my child already shown potential in this subject?

Will my child be successful in this subject and be able to gain their highest possible grade?

Is the subject a good choice for my child and will it meet the needs of their post 16 education?

Options Evening is an opportunity to talk to subject teachers, learn more about the courses on offer and begin to consider what is the best route forward for your child. It is important that your child is happy with their choice as the optional subjects offer a range of skills that build on, and complement, the academic subjects that are compulsory.

Please feel free to ask as many questions as you need so that you feel confident that you have the information you require to make an informed choice.

What subjects does my child have to do and what choices do they have?

Compulsory Subjects

GCSE English Language GCSE English Literature GCSE Maths GCSE Science GCSE Spanish Core PE

Option Subjects

Option Block A Option Block B Option Block C Option Block D

These blocks will be sent out nearer to the time

What happens next?

Week Beginning 28th February– Myself and Mrs Till will meet with the year group and go through the next stages with them.

Week Beginning 7th March– Options Booklet go out to pupils and parents (with dates and information about the options evening). This will contain links to exam specifications, crucial knowledge and subject overviews.

Week Beginning 14th March – Year 8 Exams

Week Beginning 25th April and then Week Beginning 2nd May – Option Taster sessions for Year 8 (timetable will be sent to them beforehand). This will give them an idea of what to expect in each subject.

27th April – Pupil progress grades to be sent out.

28th April – Year 8 Parents Evening – Maths, Science, English and Languages (this will probably be virtual via Teams). This will give you an insight into these subjects going into their GCSE years and an overview on progress and attitude to learning.

Week Beginning 2nd May – Option Blocks will be released to pupils and parents

5th May – Options Evening and official forms given (6:00pm – 8:30pm). This will be an 'in person' event and will give you chance to talk to staff and ask any questions. We are also hosting a careers event on this evening for Year 8 where they will have an opportunity to talk to colleges, employers and providers. Even though this is early, it is always good for them to think about what is available to them in their futures.

6th May - Deadline for choices.

6th June - Final choices sent home (could be earlier if all forms are in on time).

Fairtrade Competition Winners

Lois Walklett and Trinity Mudryj

GARDEN CLUB

Follow us on Instagram: @ccsc_gardenclub

We have been really busy at Garden Club lately. We have researched veg planters, worked out the height, width and length based on the available wood, made scale models to work out the best design, broken up a reclaimed pallet and started to build our first planter. We are also helping STEM club to plant trees around the school.

New members always welcome - we usually meet in the workshop at 3.15 on Thursdays. You don't need any previous experience or equipment - just yourself and some enthusiasm!

CCSC Radio is back 😊
Listen out weekly
episodes here.....
<https://www.mixcloud.com/bishibashi/>

Year 10 and 11 GCSE drama were fabulous on our trip to the Manchester Opera House on the 9th March. They enjoyed a fantastic production of 'The Curious Incident of the Dog in the Night-Time' which they will be writing about in their GCSE exam. Well done everyone, you were a credit to the school as always.

Holi is a popular ancient Hindu festival, also known as the "Festival of Love", the "Festival of Colours" and the "Festival of Spring". The festival celebrates the eternal and divine love of Radha Krishna. It is a Public Holiday in Nepal and celebrated by Hindu's around the world.

It is, as in many religions, a celebration at the time of the (Spring) **vernal equinox**. In the Northern Hemisphere, the **March equinox** (aka **spring equinox** or **vernal equinox**) occurs when **the Sun crosses the equator line, heading north**. This event marks the start of the spring season in the northern half of the globe. After this date, the Northern Hemisphere begins to be tilted more toward the Sun, resulting in increasing daylight hours and warming temperatures. (In the Southern Hemisphere, it's the opposite: the March equinox marks the start of autumn, as the Southern Hemisphere begins to be tilted away from the Sun.)

Don't forget to check you emails and Teams daily to complete your homework quizzes!

British Science Week, 8th International Women's Day, 12th World Sleep Day.
