Review: February 2021

We have a duty of care to protect pupils from bullying as part of our responsibility to provide a safe, secure, caring and friendly school environment for all the children in order to protect them from those who wish to deliberately hurt them either physically or emotionally.

There are many definitions of bullying, but most consider it to be:

- deliberately hurtful (including aggression);
- **repeated often over a period of time**, while recognising that even a one-off incident can leave a learner traumatised and nervous of future recurrence; and
- difficult for victims to defend themselves against

Bullying takes many forms such as physical, verbal, social exclusion and the misuse of mobile phones and Internet social media sites. It is our duty to look out for all signs of bullying and to take the appropriate action to stop it. We will deal with all incidents of alleged bullying.

We believe by creating a safe, secure and caring school environment we will encourage all pupils to report any incident of bullying to a member of the school staff.
