Dear Parent / Carers,

The spring term has started here at Chesterton Community Sports College and just like spring outside our Year Sevens are starting to put down fresh roots and are beginning to grow into the young adult learners they are destined to become. Here at school there are a number of things happening during the spring term for Year 7:

Assessments

The formal assessments will be held in the week commencing 23/03/15, but as usual on-going week-by-week assessment in every subject takes place to monitor students and to help them to achieve their best in every subject.

School Show

This year the school is performing Alice (based on Alice in Wonderland), which I am sure will be amazing as previous years. Performances will be on the 10th, 11th and 12th of February.

Uniform

Year 7's School Uniform has been very good so far this year and I wish to congratulate you all, but there is a small reminder about ear piercing (only one stud in the lobe of each ear is allowed) and nail polish (not allowed at all).

Trips

The Humanities department is running a trip to the Black Country Museum towards the end of term.

Clubs

The Maths Club is starting back up with Mr Powell at the helm; this will run on Wednesday afterschool from 3 till 4pm. A letter with more information can be obtained from your child's Maths Teacher.

Languages run a club every Wednesday from 3-4pm for students wanting help or just to improve their language skills.

Portal Dates

Portal dates for assessments this month are Jan 6th and 26th /Feb 23rd /Mar 16th be sure to check your child's progress.

Creative Learning Week

Creative Learning Week happens every year and offers an alternative curriculum to your child's normal studies. This year it is the week beginning 22nd of June - shortly your child will receive a booklet showing what is on offer during this week.

Here's looking forward to another successful term

Mr A Hope

Mrs S Hawkins

Head of Year 7

Head of Key Stage 3
