Dear Parent/Carer,

I have been highly impressed with the manner and attitude of your child in their approach to the exams. It is clear that the Year 11s are all passionate about making the best possible progress and I am proud of the levels of engagement that they are currently demonstrating in the prep sessions that are being held to support their progress.

In addition to the timetabled prep sessions that are occurring on a daily basis in school, there are a number of further opportunities to prepare for their exam over the half term. I hope that you will help your child and actively support their revision efforts at home with the materials that have been provided by their individual class teachers. Activities will also be available in school during the half term break that they are welcome to attend. A timetable of the on-site revision sessions can be seen below.

We hope that you will be able to join in the celebration with your child when the results are made available to collect on **Thursday, 24<sup>th</sup> August** between **8:30-11am**. If there is anything that I can do to help during the examination period please don't hesitate to ask.
