

Welcome to our new Year 7!

I'm sorry we cannot all meet up to experience the High School together this term, but hopefully we'll all be here in September to start the next stage of your exciting School journey.

I'm sure you are all working hard at home and learning new and exciting skills and knowledge; we want you to continue that with us. Remember, you don't have to be the best at absolutely everything; you just need to **'be the best you can be'** which is our school ethos!

I'm sure you will hear from other key members of our staff about the basics you'll need to know, such as timetables, uniform and subjects but we won't overwhelm you. Ask if you are unsure about anything. I had plenty of you asking great questions in the assemblies and Parent's Evenings we held in your Primaries so please do ask, we are here to help on this next stage of your life.

Finally, be yourself. You'll make lots of new friends and take part in new and different challenges over the next five years, so this is the chance to develop and test yourself. 'The magic happens outside of your comfort zone' so try everything you can because there is so much on offer here!

Take care and stay safe.

Mr Young
