What has been happening?

What a week for netball!! Last night Mrs Baldry and Miss Fellows took some of our year 8s to their final netball tournament of the season and they came second!!!! To say we are proud is an understatement. Every single one of the girls worked so hard with stand out performances from Poppy and Mollie. And an extra special shout out to Amaya who on her debut as captain led the team so well and played some brilliant netball herself. We are so proud of all of you. Congratulations girls

WOW, WOW, WOW!!! The Year 7 netball teams have absolutely smashed their first ever tournament. Mrs Baldry and Miss Fellows are so proud of every single one of you. You worked so hard and played some outstanding netball. Massive well done to all who took part but a special well done to our pink team who came 3rd overall!! There is a lot of potential in our year 7 squads and we are so excited to see how you get on over your time at CCSC!

Ties Of The Week!!

the Sports Journalism club with Mark from [Higher Horizons+](#) had the opportunity to visit Stoke FC [Stoke City Community Trust](#) and Staffordshire University [Staffordshire University](#). They started the morning with a session on careers available in football. Then their skills were put to the test as they had to demonstrate their knowledge of football clichés and then produce a written commentary on a 2008 Stoke vs Everton match. Afterwards, we were given a tour of the stadium; they were allowed up in the TV gantry, the dressing rooms and down to the pitch. From there, we travelled to Staffordshire University to use their studio broadcasting facilities. Students got to record their own Match of the Day inspired segment, where they were given the chance to present, report and read off the autocue. This was followed by a crash course in sports reporting by lecturer Ian Whittell in preparation for Saturday's Newcastle Town FC match [Newcastle Town Football Club](#)

The students were amazing and their behaviour and attitude was commented on by staff at both Stoke FC and Staffs uni. They really have been a credit to the school. Mrs Durrant has loved every minute of the opportunity and experience this has given our pupils.

Tournament

The Final - Result

Riley Critchlow v Logan Hood

The final was a tense match between two players unbeaten up to now in the tournament.

There were some early piece exchanges and Riley gained a material advantage. Unfortunately he couldn't prevent one of Logan's pawns breaking through to become promoted to Queen! From that point on it was difficult for Riley to fight off the attacks. In the end the white king was checkmated meaning the winner of the 2023 Chess Championship is....

Logan Hood

What PE kit is needed for PE lessons?

<https://www.ccsc.staffs.sch.uk/index.php/pe-faqs>

Don't forget your PE Kit

- Blue CCSC PE polo shirt
- Black shorts, leggings or joggers
- Trainers – not their school trainers (this can be football boots if lessons are on the astro/field)
- CCSC PE hoodie or a **plain black/blue sports top** (your child can check this by speaking to their PE teacher)
- Long hair tied up and jewellery removed/covered with a plaster (provided by home)

Swimming lessons:

- Towel
- Plain blue/black swimming costume or shorts – Bermuda style shorts are not allowed
- If goggles are required then these need to be accompanied by a note from home granting permission for their use
- If excused, your child is to bring their PE kit to change into at the start of the lesson

NB: Your child is still expected to bring their PE kit to all PE lessons even when excused from PE.

My child cannot find part of their PE kit. Can they bring an alternative?

YES! If there is a genuine reason that your child cannot bring part of their CCSC PE kit, then we encourage pupils to bring a suitable alternative. No contact with the office is required, your child just needs to have a quick conversation with their PE teacher. However, if there is a long term reason for your child to not have the correct PE kit, then contact from home will be required. The correct PE kit is always the desired standard, therefore, acquiring a replacement PE item is desirable. The PE department can also provide clean spare kit.

DECEMBER WRITING COMPETITION 2023

Because it's the season of giving, we're going to give you an extra choice of what to write this festive season!

You have the choice of writing an acrostic poem that's inspired by the Christmas cheer.

Or you can write a dystopian story in which Christmas doesn't exist anymore.

For example:
Sound numbing,
Nature's blanket,
O' how the children love it,
White as a Christmas Night.

Or

Christmas. That was a word that had long been forgotten, many moons ago, by many people.
But not all.
There was a collective of people who still secretly celebrated the ancient celebration. These people opposed the government's strict regime of no festivities, in order to feed and maintain the government's war machine, now sowing siege on the rest of the galaxy.
That was what humanity had become. Distilled down to a ravenous, all consuming obsession to survive by invading and extinguishing all threatening species.
Yet hope survived.
And it was tonight, on Christmas Eve, that the collective was to meet again...

RAMADAN

EASTER

PASSOVER

Religiones del mundo: Más de la mitad de la población mundial es cristiana, musulmana o judía.

¿Sigue siendo necesaria la religión? El próximo fin de semana tiene lugar una de las tradiciones milenarias; los cristianos celebran la Semana Santa, los musulmanes cumplen con el Ramadán y los judíos se reúnen para la Pascua.

Charlotte salta de la cama. Día de Pascua – ¡hurra! Está impaciente por **buscar los huevos de Pascua**. Pero, ¿hay algo más que deba hacer? Sí, por supuesto, ir a misa.

Para los cristianos, la **Semana Santa** es la época más importante del año. Este año coincide con el Ramadán y con la **Pascua**.

En el **Viernes Santo** se recuerda la muerte de Jesús. Según la Biblia, se dejó matar para **reparar** los pecados del mundo.

Esto se ve como una manera de pensar más en Alá o Dios.

El Ramadán recuerda el mes en el que el **Corán** fue revelado por primera vez al profeta Mahoma. Termina con un festival llamado Eid al-Fitr, que en inglés significa el Festival de la ruptura del ayuno. Los niños pueden recibir regalos y ropa.

Al comienzo de la Pascua, las familias judías **se reúnen** para una comida llamada Seder.

Durante la comida, leen la historia de la huida de sus antepasados de la **esclavitud** en Egipto. Según la cual cuando el faraón de Egipto se negó a liberarlos, Dios envió diez plagas para castigar al país.

Pero Dios les dijo a los israelitas que marcaran las **jambas** de sus puertas con sangre de cordero, para que el ángel de la muerte "pasara" de largo por sus casas.

Los israelitas salieron de Egipto con tanta prisa que el pan que estaban horneando no le dio tiempo a crecer. Para recordar esto, la comida incluye un pan plano llamado Matzá.

Pero el domingo siguiente **se apareció** a sus seguidores como un hombre vivo. Su promesa de vida después de la muerte es lo que hace de la Pascua un tiempo de celebración.

La Semana Santa también marca el final de la **Cuaresma**, durante la cual los cristianos rezan, dan limosna y ayunan.

También lo hacen los **musulmanes** en el Ramadán. Sin embargo, su **ayuno** es más extremo. Se supone que no deben comer ni beber entre el amanecer y el atardecer.

O... La religión juega un papel importante para mantener unidas a las sociedades: anima a las personas a confiar unas en otras y a **comprometerse** con su comunidad local. Discutirlo nos ayuda a comprender cómo piensan los demás.

New Trick Every Week!

Why?

Magic trick of the week – try this!!!

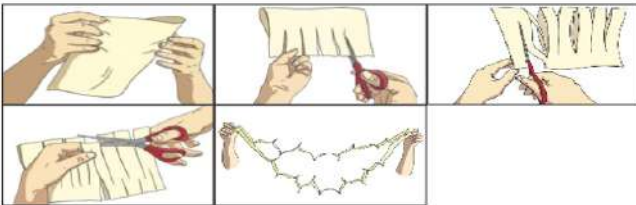

16. Stepping through paper trick

This is a fantastic trick that will truly amaze your audience, proving that you can, in fact, walk through a piece of paper without ripping it in two. It is very simple but very clever. Give it a go.

How to do the trick:

- 1: Start by betting your audience that you can step through a piece of A4 paper without ripping it or tearing it in half.
- 2: Take a A4 sheet of paper and fold it in half.
- 3: Cut a series of strips in the paper, starting from the side with the folded crease. Be careful not to cut right to the end of the paper. (See image.)
- 4: Once you have finished cutting the strips, turn the piece of paper over and start cutting strips in the opposite direction, making sure again that you do not cut to the end of the paper.
- 5: Now all that is left to do is to snip the folds at the top of the strips on the crease except for the folds on the first and last strips.
- 6: Say the magic word **ah haaa** - open the paper out and carefully step through!

27th International Day To Commemorate the Victims of Holocaust
1st International Interfaith Harmony Week
(Week beginning 29th January 2024)

The International Day in Memory of the Victims of the Holocaust (1939-1945)

Just over 80 years ago:

- After World War Two started in September 1939, the Nazis initially moved east, invading Poland, Hungary and the Soviet Union.
- This brought millions of Jewish people under their control. The Nazis decided to increase their persecution of Jewish people and eventually resolved to murder them.
- At the Wannsee Conference (in January 1942), senior Nazis set out how they would implement their plan to commit mass murder.

The Holocaust was the murder of many millions of people including approximately six million Jewish men, women and children by Nazi Germany and its collaborators during World War Two. The original Greek meaning of this word referred to a religious sacrifice, which the mass murder of Jewish people certainly was not. As a result, many people (Jewish and non-Jewish) prefer to use a different term, such as the Hebrew word 'Shoah', which means 'catastrophe'.

The Nazis and their collaborators *persecuted* and murdered many other groups of people, too. *Slavic peoples, Roma and Sinti*, Black people and mixed-race people were targeted because they did not fit within the Nazis' racist idea of a master 'Aryan race'. This idea had first developed during the 1800s, and was based on the false belief that people from northern and western Europe were racially *superior* to groups of people from outside these regions. There is of course no scientific basis for these beliefs. The Nazis' false belief in genetic superiority also led to the persecution and murder of people with disabilities. Gay men were targeted for slightly different reasons, mainly because the Nazis believed that they were 'failing' in their duty to the creation of the so-called 'Aryan race' by supposedly not having children.

Other groups of people were persecuted because they were political or religious *opponents* of the Nazi regime such as Communists, Trades Unionists, Freemasons and Jehovah's Witnesses. *Prisoners of war* from the Soviet Union suffered persecution and murder on the basis of both their political opposition to Nazi rule, and because they were from an ethnic group not part of the so-called 'Aryan race'.

Estimates of the total number of Holocaust victims add up to 17 million including: Soviet civilians (4.5 million), Soviet Prisoners of War (3.3 million) and Polish people (1.8 million).
