

Miss Robson

I grew up on the Wirral, near Liverpool.

I went to Dawpool C of E primary school.

In 2007 I went to West Kirby Grammar school.

I stayed at the school for two years at sixth form and completed my A Levels; Maths, Physics and Art.

I moved to Keele in 2014 for University where I studied Maths for three years.

I graduated in 2017 with a 2:1.

I trained as a teacher for a year and started working at CCSC in June 2018.

During my first year teaching I studied Education at Masters level.

I graduated with a Merit in January 2020.

When I was younger, I had no idea what I wanted to do for a job.

I knew I enjoyed Maths and Art but I didn't decide until I went to University.

At the age of 17 I worked in store at Domino's. This taught me many valuable skills and was an excellent first job. I worked at Domino's until I left the Wirral at the age of 18 to move to University.

During University I worked for a tutoring company, helping students between the age of 4 and 18 with their Maths.
