Sound and Lighting Engineer (age 16-18)

Customer Advisor at Argos (throughout college and university)

SLA- student language ambassador whilst at university

MFL teacher- current position! 😊

When I was younger, I wanted to be ...

An RAF pilot! I was in the Air Training Corps and really enjoyed flying and the experiences it gave me. I was really certain I wanted to do this until the age of 17, so my advice would be to never put all of your eggs in one basket, as you never know when things could change!

This is me flying in the ATC!

Interests and hobbies

Radio! I spend a lot of my free time involved with a community radio station- Moorlands Radio, where I have my own show! I also run the school radio, so do come and speak to me if you are interested in radio too! 😊 I also love music.
