Word of the week:

## Back to school

Spanish: El regreso a clases

French: La rentrée scolaire

Italian: Ritorno alla scuola

German: zurück zur Schule

### Mrs Felton's star pupils

11/2

Harry Brayford, Ellie Bailey, Fran Bailey, Ellie Braddock, Ellie Harding, Jasmine Heath, Emily McDonald, Ben Salmon, Jack Salmon, Dagmara Stygar, Lauren Tomkinson

11/5

Chloe Simcock, Nancy Huxley-Kearns and Lucy Peers.

For absolutely amazing effort, attendance and progress in Spanish throughout lockdown. You're all incredible!

**BRAVO!**

We look forward to welcoming you back to school this week! This week, most of the activities will be recapping and applying crucial knowledge from the previous weeks' learning. Please make sure you that you also catch up with any assessments that you haven't completed.

### 30 day challenge

We were overwhelmed with the responses to our 30 day challenge. These students produced responses to every single activity for 30 days.

We really enjoyed reading them.

They will be rewarded with some very exciting prizes this week!

**N**

### Netflix recommendation:

**N**

**Perdiendo el Norte (movie)**  
Off course

Cute and entertaining Spanish comedy about two overeducated and underemployed young Spaniards who move to Berlin to find professional jobs, but end up working in a Turkish cafe. Some hilarious moments of cultural misunderstanding.

# Soaring with SORA!

On World Book Day (4<sup>th</sup> March) we also launched our new app, Sora. It's an online reading platform that allows you to have access to thousands of different books from a range of genres.

Here are just some of the titles that you can read or listen to:

To find Sora, go on your iPad and look for this logo

As part of our Sora launch, every department has curated a selection of 'Recommended Reads'. You'll be able to find these on your Year Group Teams page. On the week beginning 29<sup>th</sup> March, you will be given a reading passport. All you need to do is: read one of the recommended titles for each of your subjects, write a review of the book and show it to either your class teacher or Miss Durrant. Once your reading passport is full, you will be put into a prize draw at the end of the year!

### International Women's Day 2021

**What is it?**  
International Women's Day is a global day celebrating the social, economic, cultural and political achievements of women. This year is the 110<sup>th</sup> year that women's achievements have been honoured in this way.

**Why do we need this day?**  
According to the World Economic Forum, none of us will see gender parity in our lifetimes. This means that even though women have achieved so much in the last century and have equality in many areas of life, the equal contribution of women and men to every dimension of life, whether private or public, is still a century away.

**What can I do?**  
A challenged world is an alert world. Individually, we're all responsible for our own thoughts and actions - all day, every day. We can [choose to challenge](#) and call out gender bias and inequity. We can choose to seek out and celebrate women's achievements. Collectively, we can all help create an inclusive world. From challenge comes change, so let's all [#ChooseToChallenge](#).

What do you imagine when you're asked what a scientist looks like? Are you picturing lab coats, goggles and conical flasks? How about the person? Are they a White man with grey hair, who resembles Albert Einstein?

If that's who you pictured – you aren't alone. But it's something that we want to change!
