Arrive to school on time in the correct uniform.

HOY AWARDS

Y7

Sarah Watt 7JWI

For her monumental effort this week to teach as many teachers as possible! Well done!

Tom Vasey 7MC

For pushing himself this week and being recognised by several teachers for his hard work. Great effort!

Y8

Luca Carlidge 8LE

For fantastic effort and performance in lessons, especially Science.

Storm Webb 8SE

for exceptional work in lessons as well as independent learning.

Y9

Isobel Conyon 9AK

For her constant hard work and effort and attempts to educate me on a variety of topics via teach the teacher.

Alex Hughes 9IR

For being such a polite and well mannered young man who always works really hard and puts 100% effort into everything he does.

Y10

Chloe Hudson 10EH

Great attitude to learning

Leo Smith 10EH

Fantastic attitude all round in everything that he does.

Has your hard work been chosen this week? Please view all the students outstanding work @ CCSC. Well done to **Kirsten Ashley** whose work was truly out of this world!!!

<https://www.ccsc.staffs.sch.uk/index.php/news/556-outstanding-work-at-ccsc>

Word of the week:

Goal!

Spanish: ¡Gol!

French: But!

Italian: Gol!

German: Tor!

Sora Achievements

Did you know that you can unlock achievements on Sora?

Click on the 'Me' tab.

You can see your statistics.

And you can gain achievements - the more you read, the more you will earn!

RECOMMENDED READ

Check out CCSC English's Instagram Stories for our 'recommended read' this week.

Meet Ellie and her best friends Nadine and Magda, three teenage girls just starting Year Nine with a lot on their minds - mainly boys! Told in the bright, sparky and totally realistic voice of Ellie, Girls in Love is a funny, frank and revealing look at their friendships, problems and heartaches that older fans of bestselling author Jacqueline Wilson will adore.

English Stars of the Week

SW: Maryam Chowdhury Y9 - beautiful work and always willing to contribute to discussions

KM: Kayla Smith Y10 for FANTASTIC contributions to class discussion on the new topic of Writing to Argue! Well done, beaut.

KDR: Lewis Marfleet Y7 - for his exceptional knowledge and understanding of tabloids and broadsheets. Lewis has contributed really well to our lessons this week. Good job, Lewis!

GA: Archie Brownsword Y10 for making a really positive and enthusiastic start to the GCSE Language course.

EW: Armie Litherland Y9 for his amazing effort in every single English lesson, and mature contributions to class discussion.

KW: Thea Sherlock Hammond Y10 - Lovely work and commitment to learning 😊

AP: Alfie Johnson Y9 - excellent effort and contribution to learning this week.

Miss Orton's MFL Stars of the week

Year 7

Lois Walkett, Scarlett Washington

Year 8

Aafreen Ahmed, Emily Higginbottom

Year 9

Ben Davenport, Madison Elliott

All have done amazing this week with the Back to Basics recap.

BRAVO!

Year 11

Aysha Yorukoglu, Matthew Wade, Dominic Jackson
Did great in their exams!!

Last week we sent praise postcards home to several students that have made a great effort with their Out of Hours Learning by completing additional quizzes and learning at home. We were very impressed!

We'd love to see more students get involved, so don't forget to ask your teachers for more quiz links or send us evidence of your work!

N Netflix recommendation: **N**

There is no Netflix recommendation this week BUT...

With it being the Euros, there are a LOT of examples of French, Spanish and German being spoken on the TV. Try and watch several interviews this week with the English subtitles and see how many words you can pick out and understand. Tell us on Instagram what you've watched!

Crucial Knowledge Resources

Make sure that you **learn**, **remember** and **understand** the **CRUCIAL KNOWLEDGE** for all of your subjects.

Crucial knowledge resources have been updated by your subject teachers. You can find all the updated resources in your year group Teams files (pinned at the top) or using the following link: <https://www.ccsc.staffs.sch.uk/index.php/2013-09-25-09-25-35/all-files/crucial-knowledge>

Remember that your performance in class and in **exams** will improve greatly if you **learn more crucial knowledge**, **remember more crucial knowledge**, **understand it** and then **apply it**.

Goodbye Y11 Peer Mentors

A massive thank you and amazing work that the yr 11 Peer mentors have done over the last three years, they have helped so many... Miss Meakin is so sad to see you leaving and cannot thank and praise you all enough!!

SAMUEL RUAINÉ, MATTHEW WADE, DAISY WHEELER, LAUREN TOMPKINSON, ELLIE BRADDOCK..

Through being a mentor at CCSC for multiple years I have learnt so much! I think peer mentoring is an amazing opportunity for both the mentees allowing them to adjust to high school which can be very scary when you move up (I know I was 😊) and have a place where they can engage with other people and form new connections with people. But also personally I know that it's also such an amazing opportunity for the mentors! I have been able to talk to people and help them feel more comfortable which I can say it's such an overwhelming feeling when you start seeing people become more confident. Also it's been something I can look forward to every week. It's been such an important part of my CCSC experience and it holds a special place in my heart. Thank you Miss Meakin, I hope to stay in touch you are amazing at what you do!

Lots of love Lauren xx

Peer mentoring has been one of the best experiences of high school. It's such a wonderful, friendly caring environment and I would 100% recommend it to anyone. Whether you want to help someone else or need a little bit of support whilst adjusting to high school peer mentoring makes sure you are surrounded by supportive amazing people who will listen, make you laugh and smile, and ensure that you feel safe. I count myself as incredibly lucky to have been part of peer mentoring and my high school experience would most definitely not have been the same had I not been a part of this incredible team. I would like to personally thank Miss Meakin for being as supportive as she is and for running this fantastic support group.

Love,
Daisy xxx

Y11 NETBALL VS STAFF

A bittersweet moment for this fantastic group of girls this evening as they played their final netball game for CCSC. The girls took on the staff. They played some brilliant netball and fought until the last seconds but the staff took the win with a score of 17-13.

Although they lost this game their achievements as a team cannot go unnoticed. From being 3 time league winners to coming second in a netball rally against teams from up and down the country. It is no secret that this group of girls make an exceptional netball team and to say Miss Rafferty and Miss Davies are proud of them would be an understatement.

Congratulations ladies on an excellent 5 years. Good luck with your exams and future ventures and keep up the netball!!! [#teamccsc](https://www.instagram.com/teamccsc)

Year 11, you have been AMAZING! Good luck for the future. You will be missed!

Goodbye Class of 2021

Congratulations on an amazing 5 years at CCSC year 11. Good luck with your future, have fun and keep smiling. Love Miss Rafferty.

Year 11 – You have always been a beautiful year group that show your true personalities and your true selves. All the very best for the future! Mrs Hawkins.

Goodbye Y11, you're all History now! Mrs Till

What a wonderful year you have been. I hope you have learnt and laughed a lot during your time with us 😊 Go and do us all proud. Lots of love, Mrs Parton.

YEAR 11, you have been such an amazing Year Group and it has been an honour teaching and getting to know you all over the last 5 years! A special thank you to everyone who was in 'Annie' and 'Into the Woods.' You were all absolutely amazing and helped create lots of special memories! Lots of Love and best wishes to you all, Miss Owen xx

To an amazing Year 11! Thank you for being such a wonderful year group and filling the last 5 years with lots of ace memories. I wish you all all the luck in the world starting your next chapter – whether that's college or work. You will always be part of the CCSC family. Lots of love, Melv ❤️

You were one hell of a year that have set the standards EXTREMELEY high, you were simply amazing and will be missed lots! Miss Edwards

Year 11, You made it! Well done to each and every one of you. You should be proud of yourselves: not only have you finished school but thrived in the face of adversity.

Good luck in the future.
Miss Durrant

Good luck y11 with the next chapter of your lives!
Mrs Hulme

'All the best to all of year 11, and especially my amazing 11.5 English group – we'll miss you!'
Miss White

BURSLEY ACADEM

CCSC Alumni – Celebrating the Success of our Past Pupils

Name: Amelia Tomkinson
Dates attended: 2012-2017
Primary School: Sun Academy, Bradwell
Qualifications: A Levels - Maths (B), Computer Science (A), Physics (B)
Current Career: Studying Maths at the University of Sheffield

When I left CCSC, I got a small part time job close to home and went to Newcastle-Under-Lyme College and completed my A levels. This made me realise that I would like to pursue a career in Maths, hoping to one day become a Secondary School Maths teacher. Once completing my A Levels, I then went to The University of Sheffield in 2019 to start a Maths degree, which I am still in the process of completing now. I am now in my second year of University, completing this at home due to COVID-19

This week we have a video interview with Ruth Oleksik who works for Astra Zeneca providing data to scientists globally.

Poppy's Poppin News

Bullying is getting worse

You can stop bullying by taking action and help the person and report it to a teacher or parent/guardian and you would have helped someone that needed it

most A lot of bullying is happening in schools,games and on social media think before you act because you could end up making a person feel like there useless or worse ...

Make a stop to bullying and how can you help. Bullying is getting worse in schools and I think we should to take action immediately because bullying sometimes ends up with people committing suicide and depression and it's not right

Poppy Blackshaw and Sadie Huxley in Y7 have produced some excellent work this week that they are very proud of and wanted to share.

It is brilliant to see your excellent work.

Well done Girls!

Year 10	46.5%	159
Year 11	84.2%	336
Whole School	64%	6,840

Saturday Year 9 History club got to experience the first school trip since the Covid pandemic. Historians got a behind the scenes look at three museums; Sick to Death and Deva Roman Experience in Chester and Western Approaches in Liverpool.

The pupils thoroughly enjoyed learning about the archaeology of Roman Chester, the gory history of medicine and the Battle of the Atlantic; the only battle that raged for the entirety of the Second World War!

Whilst at the Western Approaches museum, pupils (and staff) were incredibly lucky to be able to get inside Admiral Max Horton staff car which was delivered to him from America in 1939.

After the museum, staff and pupils enjoyed food and ice cream at the Liverpool waterfront before heading home.

Water covers more than 70% of the Earth's surface. The most common locations are in oceans, rivers, lakes and glaciers.

It has special properties:

It exists in the **solid, liquid and gas states** at normal temperatures on Earth.

At 4°C water is at its most dense. Below this temperature, ice is able to float on liquid water.

Water dissolves many substances, including salts in the sea and proteins in living things.

Water has a **high surface tension**, allowing some small insects to walk on its surface.

At school our drinking water most likely comes from a deep sandstone aquifer (although sources and distribution networks are often interconnected to allow for blending and compensation of a supply if needed). Rainwater will have fallen decades ago and percolated through the rock to become our water supply today.

Wastewater is carried from the school in sewers to Strongford Wastewater Treatment Works, near Barlaston where it is treated before being discharged into the River Trent.

Theme of the week

Water

Water is a compound of two elements: **Hydrogen and Oxygen**.
Water has many special properties.
Water is vital to all plant and animal life on Earth.

Don't forget to check you emails and Teams daily to complete your homework quizzes!

16th Fathers Day, 17th World Day to Combat Drought
20th World Refugee Day

Have an idea, event or news that you want to share in next week's edition please email
