RECOMMENDED READ

This week's English 'recommended read'

1 did not believe in ghosts?

Few attend Mrs Alice Drablow's funeral, and not one blood relative amongst them. There are undertakers with shovels, of course, a local official who would rather be anywhere else, and one Mr Arthur Kipps, solicitor from London. He is to spend the night in Earl Marsh House, the place where the old reclusive died amidst a swirling swarm, a blinding fog and a baffling mystery about which the townsfolk refuse to speak.

Young Mr Kipps expects a boring evening alone sorting out paperwork and searching for Mrs Drablow's will. But when the high tide pens him in, what he finds - or rather what finds him - is something else entirely.

In the 'backstory' discover more classic ghost stories and some real-life ones too...
