Excellent work in PE but also in other subjects. Keep it up!!

The whole of year 8 for their excellent behaviour and effort in their exams this week. I have heard some great things from teachers in the exams and I am a really proud Head of Year

Poppy Blackshaw
9AO and Mikala
Harrison 9CK

For an incredible performance across the curriculum all week. ELs show a great attitude to learning and an incredible example set to others.

Josh White 10LE

For a real improvement in both attitude and effort. A number of staff have commented on Josh's effort in lessons which shows that the hard work is paying off! Well done.

Daisy Rochelle-Peake
10LE

For consistent hard work and always trying her best in lessons. Daisy is focused, determined and willing to go above and beyond to achieve success. She should be very proud of herself!

Maryam
Chowdhury 11P
and Logan Kerr
11MK

For responsible learning all week, maintaining high standards and working hard at being the best they can be every lesson. A great achievement, guys. Well done.

What has been happening?

The following pupils hit the most coffee bags down in coffee can alley:

- **Ned Griffiths**
(8 bags down in 3 goes)
- **Jude Lockett**
(10 bags down in 3 goes)
- **Dylan Hood**
(10 bags down in 2 goes)

Fairtrade Fair for years 7 and 8 to raise awareness about Fairtrade as part of Fairtrade Fortnight 2023. This consisted of fair-style games, such as 'Bat a Rat', Tombola, 'Pin the Country on the Globe', 'Find the Fairtrade logo' and 'Coffee Can Alley'. Pupils participated in these games to win raffle tickets which were entered into the draw to win a Fairtrade chocolate hamper. All pupils enjoyed their time at the fair whilst thinking about the efforts of Fairtrade; this was shown through their pledges which were displayed on the 'pledge tree'.

With thanks to **Chesterton Co-operative** for donating towards the Fairtrade hampers and **Starbucks Wolstanton** for helping out with coffee bags for the coffee can alley.

A massive Thank You to the helpers, Miss Hopwood couldn't have done it without you.

Magic trick of the week – try this!!!

11. The 'Mind Reader' trick!

You will need a pack or 'deck' of playing cards for this trick. Before you go in front of your audience, count out 25 cards. Put these cards at the top of your pile and keep them slightly twisted, so you know where the middle is.

1. Cut the cards at the split so there are 25 cards in each pile.
2. Place the top cards face down on the table and ask your helper to choose a card from the cards left in your hand.
3. Have them show the card to the rest of the audience and memorize the card.
4. Tell your helper to put their card back onto the pile in your hand.
5. Pick up the pile from the table and place it on top of the pile in your hand.
6. Now, slowly turn over the cards one by one, counting in your head as you go.
7. Card number 26 will be your helper's card. When you turn it over, reveal that your magic senses tell you this is their card.

Try a new board game...

Xiangqi

Also known as Chinese chess, this strategy game shares some similarities to the more well known "regular" chess game. However there are some key differences in piece movement and board layout, leading to very different playing strategies.

Pieces are traditionally represented using Chinese characters, although there are picture versions for non-Chinese speakers.

Xiangqi is pronounced "shyang-chee".

REVISE How To Revise/Recap

- Summarise**
 - Read a topic/chapter/page and summarise into 5 bullet points.
- 5 Questions**
 - Read the topic/chapter/page and write your own 5 questions with answers.
- Definitions**
 - Pick 5 keywords and write the meaning.
- Picture**
 - Draw a diagram/picture and label it to explain what it shows
- Video**
 - Watch a SHORT video on YouTube on a topic/keyword/concept and pause it at appropriate times to make 5 bullet points.
- Quiz**
 - Find 10 questions on kahoot, booklet or educake, answer them and make notes on anything you learn or need to remember.
- Mind Map**
 - Pick a topic and draw a mind map explaining 10 key points.
- Copy**
 - Pick a topic and read the crucial knowledge.
Copy 5 sentences that you don't remember or understand.
- Memory**
 - Look at the crucial knowledge for 30 seconds. Cover it up and write down everything you can remember in 30 seconds. Repeat 3 times.
- Flash Card**
 - Pick a topic/chapter/page and on the front of the flash card write 5 keywords/phrases or pictures and on the back write what they mean.
- Exam Questions/Past Papers**
 - Pick a topic and answer exam questions. Ensure you use a mark scheme to check your answers. Past Papers can be found online and downloaded.
- Worksheets/Workbooks**
 - Pick a topic and complete a placemat or worksheet on that topic. Ask your teacher and they will print/send you lots. Use your memory first and then use other resources such as the crucial knowledge to help you.

Revision Strategies

- Brain Dump**
Choose a topic and write down as much as you can remember, without referring to your notes. Check your notes and see what you missed then try fill the gaps without the notes. Check your notes a third time and add the missing information.
- Flash Cards**
Write flash cards for each topic, in all subjects, then mix them up for the most effective revision. Check out the Leitner System for effective spacing and interleaving. Keep your flash cards simple - one question, one answer per card.
- Map it out**
Take an essay question or writing question and map out your answer, without writing a full response. Look at the mark scheme and decide if you plan meets the criteria. DO this for a number of questions, then choose one and write the full response.
- Past Papers**
Ask your teacher for practice questions or exam papers or find them on the exam board website. Complete them without notes in the exam conditions, then check you answers and identify the gaps in your knowledge, so you can target your revision.
- Quizzes**
Write a set of questions and answers and ask someone to test you. Its important to either write or say your answers loud. Reading through quizzes in your head can give you a false sense of security.
- Thinking Hard: Reduce**
Read a section of your notes then put them aside and reduce what you need into 3 bullet points, each one no more than 10 words. Look back at the notes and decide if you missed anything important. Hide the notes and write a fourth bullet point.
- Practice Introductions**
For essay subjects, take a past exam question and practice writing effective introductions and conclusion. Look back at your notes and remind yourself of the important things to remember. Practice for different topics, texts and papers.
- Thinking Hard: Connect**
For each subject, consider the exam paper and group together questions that require the same technique to answer. Write down the requirements for each type. Find a previous example you have completed and identify where you've met the criteria.
- Thinking Hard: Transform**
Read a paragraph from your notes or a text book, and transform it into a diagram, chart or sketch - no words allowed. OR Look at a diagram in science, for example, and transform it into a paragraph of explanation.
- Key Vocabulary**
For a particular topic, make a list of key vocabulary, then do the following: define each word; use each term in a sentence; create a question where the key word is the answer; identify other words which connect to each of the words in your list.

English Stars Of The Week

KDR: Chanel Baker Y11 – for an improved effort and attitude in English.

KM: Zach Riley Y8 – constant and enthusiastic contribution to class learning. Really impressed with his knowledge of Macbeth and the way he gets involved in the lesson. Well done, Zach.

EW: Enya Simpson Y9 – always puts amazing effort into her English lessons, and has really impressed me with her approach to Macbeth 😊

AP: Maddison Harrison in 7/4. She works her socks off every single lesson and helps everyone around her. She is just fabulous!

RF: Ella Waters (7/3) for her incredible work on creative writing and using her crucial knowledge to create a brilliant story.

GA: Elise Pollard Y11 – for her fantastic contribution to our reality TV based lessons this week. Elise worked exceptionally hard to research and plan her extended response on the topic of controversial TV and even went out of her way to help others.

Writing Club Competition: March 2023

Do you ever dream of an epic battle between your two favourite book characters?

Or a romantic chance meeting between your favourite villains?

Well now you can, because the aim of the March Writing Club Competition is to create a scenario in which there's a crossover of your favourite book characters!

For example:

Darkness, it surrounded Katniss, settling on her like a layer of dust. She heard cogs grinding, and the rattle of a chain being pulled taut. Instinctively, she sat up, sliding her fingers along the wall. It was cold and metallic, meaning she was in a cage. And a cage meant she was trapped.

Then there was a jolt, and the cage stopped moving. The ceiling split open and shards of light seeped in. Katniss squinted, she could hear voices outside of the cage. A silhouette emerged from the light, approaching her. They were now so close she could distinguish them, as a boy, with short brown hair and a gentle smile.

'Welcome to the Glade, my name's Thomas.'

Readathon 2023

27th February – 31st March

Come on a reading adventure!

READ TO RECHARGE
Reading is vital for wellbeing – offering entertainment, escape and a much-needed screen break!

READ TO CONNECT
Readathon is a great way to share experiences and reach goals, whether in school or at home.

READ TO KEEP UP
Research has shown that reading for pleasure helps you to be more successful.

READ TO HELP OTHERS
Reading and raising money to buy books for children in hospital, feels great!

Read for Good readforgood.org

What do you do in a sponsored read?

- You ask friends and family to sponsor you for reading as much as you can in the time given.
- You can choose whatever you like to read – stories, comics, non-fiction, newspapers, recipes, even an instruction manual – anything goes!
- Get sponsored per page, per chapter, per book or for every ten minutes you spend reading.

Where Does the Readathon Money Go?

How do I get sponsored?

- You'll be given your own sponsor card and bookmark – fill in your name, class and make a note of when the sponsor card needs to be returned.
- List what you plan to read (remember all reading is good reading!) on the inside of the sponsor card.
- Ask friends and family to sponsor you – per page, per book, per ten minutes, whatever suits you.
- It's really easy for sponsors to pay online at www.readforgood.com/sponsor – and means you don't have to worry about handing money in to school.
- If they can't sponsor you online, they write it on your sponsor card and give you cash or a cheque to take into school.

What's in it for me???

- I can try different books, authors, types of reading to find out what I like the most.
- It feels good to help seriously ill children.
- My school will get free books!
- Kids who choose to read for fun are more likely to do well at school, in their GCSEs and A-levels, and later in life!

AND IT'S FUN!!!

If You Want to Sign Up...

Come and see Miss Durrant any day after school (Room 8) or in the Library p.9 on Friday to collect a letter, sponsorship form, reading tracker and bookmark.

The pupils who raise the most money in each year group will win one of these extra special WBD badges!

The Readathon will run between
27th February – 31st March

It's [#WorldBookDay2023](https://www.worldbookday.com/), a celebration dedicated to changing lives through a love of books and reading.

Celebrated in schools, homes and communities world-wide, today, we're sharing why World Book Day can be particularly special for children in hospitals.

This is Freddie's story, in the words of his mum, Jemma.

"At two years old, Freddie was diagnosed with cancer.

After the first round of chemotherapy as an inpatient, we really struggled to get Freddie back to the hospital; he was so frightened, knowing that each time we went it was to sleep there for many days, and that he'd feel so poorly, hooked up to continuous chemo.

This brings me to Read for Good.

Freddie adored "book day" on a Thursday. This was how we got him to come back to the hospital without too much of a fight.

I can hand-on-heart say the only time Freddie would get out of bed, during our 6+ day admissions, was to look at the new selection of books that had arrived, and to have a story.

Freddie was so terribly poorly at times that all we could do was curl up on the hospital bed together and read to him. This settled Freddie. On the really rough days, he would lay there with his eyes closed, but still listening to the stories.

The photo with the bookcase was taken on World Book Day. My heart sank as I scrolled through social media, seeing lots of children dressed up as their favourite book characters.

This was a moment we wanted for Freddie.

But, again, Read for Good's books cheered us all up, and we felt we could take part in World Book Day in our own way."

Since then, Jemma's added:

"I'm pleased to say Freddie's back at school and doing well since finishing treatment. We have swapped hospital books for school books, and a year on – one year cancer free – Freddie was appointed Year 1 Reading Ambassador at school. He was so proud of himself.

We've found out that the chemotherapy caused some damage to Freddie's brain, and he struggles to retain information in school. But, reading is something he's really good at, and he thrives off this.

I told his teacher that I'm sure his love of reading came from being poorly and the special 'book stand' in hospital."

El Principito
Arturo de Soria-Castany

Una fábula para todos los estadios. En el Principito, que Américo de Soria-Castany escribió poco años antes de su muerte, pareciera que el autor hubiera pensado en el que había de ser su final. En efecto, el autor, un piloto durante la guerra, un día despegó desde una misión y nunca se volvió a volver de él. Desde una travesía fragmentaria por de ella redactó, y entre ella, El Principito ha sido considerado, desde su publicación como una pequeña obra maestra, que bajo el manto de un cuento infantil, ofrece al lector un viaje a la imaginación y a la filosofía. En efecto, aquí hay una fábula que muestra que los adultos se pueden hacer ciegos, que las cosas esenciales no son las que se ven a primera vista y que un mundo de adultos tiene valores y valores como el real.

International Pi day March 14th 2023
(using an American format for the date)

ASCII (American Standard Code for Information Interchange) is the most common character encoding format for text data in computers and on the internet.

π "Pi is an infinite, nonrepeating decimal. Meaning that every possible number combination exists somewhere in pi. Converted into ascii text, somewhere in that infinite string of digits is the name of every person you will ever love, the date, time, and manner of your death, and the answers to all the great questions of the universe."

quonation.com

Pi Day is an annual celebration of the mathematical constant π . Pi Day is observed on March 14 since 3, 1, and 4 are the first three significant figures of π . It was founded in 1988 by Larry Shaw, an employee of the San Francisco, California science museum, the Exploratorium.
