

Careers and Revision Evening

1st February – 6.00pm

Year 8 pupils and parents are invited to attend our annual Careers/Revision Evening for Year 8 pupils!

Join us to gain an insight into future career paths and various options at Post 16. Year 8 is a crucial time for choosing options and this evening may give some insight into what subjects are needed for career choice or learning styles.

Alongside the careers information, there will be sessions in the following:

- *What career suits you?*
- *Outside speakers from various professional fields*
- *Quizzes – Guess the job!*
- *Revision workshops*
- *Information on career paths for different subjects*
- *Career profiles*
- *Speeches from prefects and past pupils*

Local colleges/companies will be attending that evening and give advice and answer any questions you may have regarding your child's future!

I will be attending the 'Careers Evening' on 1st February at 6:00pm
