Chesterton Community Sports College

Policy Statement for Provider Access

Chesterton Community Sports College: Provider Access Policy

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997. This is measured regularly against the career standards of the Gatsby Benchmarks using a Compass assessment framework and evaluation with students, teachers and SLT as part of a progressive careers programme.

Pupil entitlement

All pupils in years 7-11 are entitled:

- find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- hear from a range of local providers about the opportunities they offer, including T Levels, Higher Technical Qualifications (HTGs), Traineeships, Internships as well as apprenticeships – through options events, assemblies, employer encounters and group discussions and taster events;
- understand how to make applications for the full range of academic and technical courses.
- **All maintained schools and academies must provide six encounters with a provider of technical education or apprenticeships for year 8 to 13 pupils.**

As a minimum, schools must offer:

- **Two encounters for pupils during the 'first key phase' (year 8 or 9) that are mandatory for all pupils to attend**, to take place any time during year 8 or between 1 September and 28 February during year 9.
- **Two encounters for pupils during the 'second key phase' (year 10 or 11) that are mandatory for all pupils to attend**, to take place any time during year 10 or between September and 28 February during year 11.
- **Two encounters for pupils during the 'third key phase' (year 12 or 13) that are mandatory for the school to put on but optional for pupils to attend. Not applicable to us.**

Management of provider access requests

Procedure

A provider wishing to request access should contact:

Stephanie Waterhouse

Deputy Headteacher

01782 568350

swaterhouse@ccsc.staffs.sch.uk

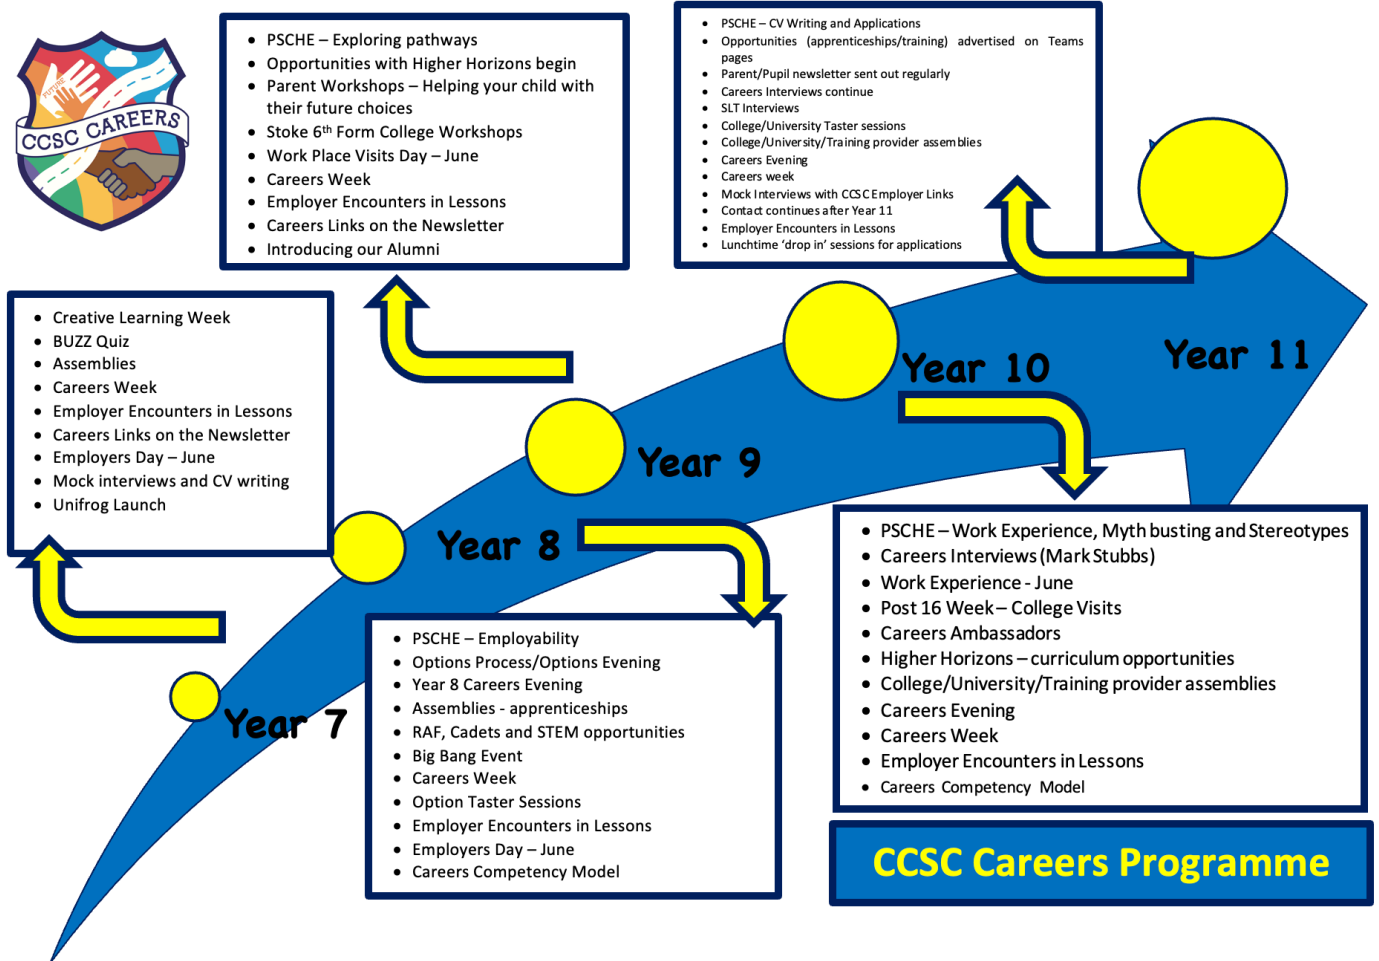

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers:

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the office which will be displayed in our school library (Careers section), which is managed by the school librarian and careers advisor. These resources are available to all students at lunch times, break times and after school. We also have display boards around the school for promotional material if requested.

All pupils have access to their own iPad and use Microsoft Teams as their learning platform.

Approval and review
