We are an oversubscribed school with a record of excellent progress and results. We have a warm and friendly learning environment with a hard working ethos and both staff and pupils strive, 'To be the best they can be.'

There has been a clear increase in the number of students wanting to study vocational subjects at CCSC since they were introduced to our KS4 curriculum.

We are very proud of the consistently excellent results and positive progress in these subjects. Due to their increasing popularity and success, we are looking for a Teacher of Vocational Subjects to join our successful department.

We encourage applications from NQTs or experienced members of staff who are looking for opportunities in a proactive, positive and success-driven environment.

We will also consider applications from unqualified teachers who have experience within these vocational areas.
