Dear Parent/ Carer,

It is with great pleasure that we welcome your child back to the start of the new academic year.

An obvious part of being successful is excellent attendance. Each student should aim for, at least, the school target of 95%. Not only will this impact positively on results, but also give an excellent impression when applying to college and for future employment, as attendance is a key factor in reference forms.

Being able to track your child's progress is important and subject teachers will provide a number of profiles throughout the year: these can be viewed on the parental portal.

In order to help you plan for the forthcoming term, below is a list of key dates that apply to Year 10.

## Key Dates for Year 10

Throughout year 10 and 11, your child will have individual appointments with the Connexions service to discuss future plans and college requirements in preparation for leaving secondary school.

Finally, a reminder that parents can log into the **parent portal** in order to keep up to date with notices, homework and attendance. To access the portal, please go to the school website and click on the parent portal tab on the top right hand corner of the page. Parents/carers can register via this link. New passwords can be requested if necessary. Please also use this facility to check personal information is up to date and current.

May I also take this opportunity to thank you for your continued support.

Kind regards,

**Mr M Wynne**  
**Head of Year 10**
